

Greetings Parents,

We are excited to welcome you and your child(ren) to the Atlanta Achievers Academy for an unforgettable summer camp experience in 2025! This summer is set to be filled with adventure, learning, and fun for all our campers.

### **What to Expect**

Each week at Camp Achievers is centered around a fun and engaging theme! Your child will participate in 1-2 hours of daily academic enrichment designed to enhance their skills and boost their confidence. They will also take part in activities through our M.A.D. program, which focuses on Music, Acting, and Dance, ensuring a well-rounded creative experience.

In addition to daily learning, campers will enjoy thrilling field trips, gardening activities, and live shows that showcase their talents. Students will engage in a variety of activities throughout the summer to keep them excited and involved, including hands-on science experiments and creative arts and crafts.
